

**Cinemanía 2017: Food, Film, and Conversation in Montreal  
at the Cinemanía Film Festival  
Thursday, November 2 - Sunday, November 5, 2017**

**The Trip**

Rick Winston and Andrea Serota (formerly of the Savoy Theater and the Green Mountain Film Festival) and Karen Kane (Paris By Design) invite you to join them in Montreal for four days of fabulous film, food, and conversation at the Cinemanía Film Festival, one of the largest French film festivals in the world. All films are subtitled in English.

**What's Included**

- Tickets to six films at the amazing Imperial Cinema, including the gala, and options for additional films.
- Focused film conversations, where we'll talk in depth about what we've seen. Rick and Andrea will provide background on the films and facilitate discussions.
- Two delicious dinners, where we'll engage in more conversation, plus several optional meetings to share perspectives over the course of the festival.
- Private meeting with Montreal film critic Mathew Hayes.
- We'll recommend lodging near the Imperial, and help you get additional film tickets. We'll also suggest lunch spots nearby, and Montreal activities and addresses for free time.
- Carpooling is possible from Vermont, and we'll be glad to help facilitate.
- Our final itinerary will be determined in October, once the festival schedule is announced.
